ENCORE Alert May 2023

ENCORE is an innovative project that brings together cutting-edge data-driven techniques, and a qualitative pedagogical approach to foster the use of OERs and existing taxonomy of skills- ESCO to produce resources for teachers

Dear colleague,

Welcome to our newsletter, directed to all colleagues interested in the ENCORE project. Our purpose is to let you know what has been happening in the different areas of work and to inform you on what project activities are coming up so that you can share them with colleagues and other interested contacts.

WHAT HAS BEEN HAPPENING IN THE PROJECT?

Shape the ENCORE digital tools!

FBK- Fondazione Bruno Kessler is currently working on designing the interface for the ENCORE enabler for Educators! This innovative tool is specifically crafted to support educators in navigating Open Education Resources and finding relevant materials on Green, Digital and Entrepreneurial skills. 🌱💻

We believe that providing teachers with user-friendly resources is key to fostering sustainable education and empowering educators and learners for a brighter future!

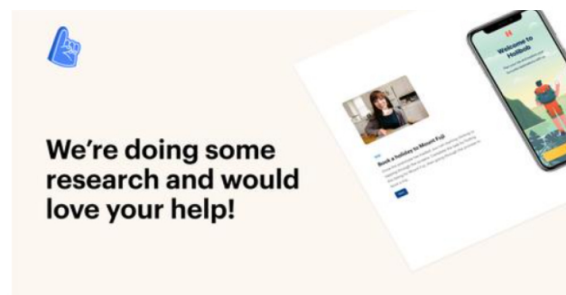

If you're passionate about education and want to contribute to this initiative, we invite you to take part in our survey and test the prototype. Your thoughts and suggestions will play a vital role in shaping the ENCORE digital tools. 📝

Click the [link](#) below to access the survey, which will be open until Wednesday, May 24th 📅✅
